Re: Your 2/16/95 Request for Documents from the 5-M, Inc. -
Silver Reef Mine File M/053/002

Dear Ms. Coulter:

Enclosed are copies of the documents you requested except for documents which the Division is required to hold confidential pursuant to Utah Admin. R. 647-2-113:

Information provided in the notice of intention and in the Mineral Exploration Progress Report (FORM MR-EPR) that relates to the location, size, and nature of the mineral deposit, shall be protected as confidential information by the Board and the Division. The information will not be a matter of public record until a written release is received from the operator.

and Utah Admin. R. 647-4-115:

Information provided in the notice of intention relating to the location, size, and nature of the mineral deposit, and marked confidential by the operator, shall be protected as confidential information by the Board and the Division. The information will not be a matter of public record until a written release is received from the operator, or until the notice of intention is terminated.

A letter has been sent to Kerley Industries informing them of your request and asking if they still want to maintain the confidential status of certain records. If they release the confidential status of the remainder of the records, I will send copies of them to you.

A copy of the statement from Kinko's is enclosed. In addition I made 7 copies at \$.25 each. Please remit the amount
